#### Notes

1. If you wish to select an Art subject you must choose Fine Art or Graphic Communication or Textiles. Please See Art information pages for more details.
2. You may choose a second modern foreign language.
3. You may choose a maximum of 1 Diploma subject.

There are no other restrictions, although we would recommend that a balanced curriculum will include a broad mix of subjects.

#### Note

Every effort will be made to meet all choices, although this may not always be possible.

If subjects are either over-subscribed or under-subscribed, the College may have to alter courses that have been chosen. There will be prior consultation if this should be the case. In the event of under-subscription, a course may not run.

Please return your completed form by Friday, 26th February 2010 to: Mr S Groves (c/o Reception) at Wymondham College.
