Wymondham College Instrumental Lessons Request Form

The College offers individual lessons on all orchestral instruments, pop instruments and singing lessons for all voices. At present, lessons cost £195.00 for ten half hour lessons. Lessons take place during curriculum time but are worked on a rota basis so that students don't miss the same academic lesson each week. If you would like to order extra music lessons for your son, or daughter when they attend the College please complete the following table.

Once you have requested lessons you will be liable for a termly fee. If notice is then given prior to taking up the lessons, a half term fee will be charged. If lessons have already commenced, written cancellation must be submitted at least six weeks before the end of term and the full fee will be due for that course of lessons.
