
Lost Property Update – Wymondham College

We would like to share an update on how lost property is managed across the College, and how families can help us ensure items are returned quickly and efficiently.

Where to Find Lost Property

Lost property is stored in three main areas:

- **Sports Changing Rooms** – Dedicated spaces are available in both the boys' and girls' changing rooms.
- **Houses** – Each House keeps its own collection of found items.
- **Reception** – Items handed in are checked for names, and students are emailed when named belongings are identified.

What Students Should Do

If your child misplaces something, please encourage them to:

- Check all three lost property locations
- Retrace their steps through classrooms and other areas they have visited
- Look in any Houses they may have been to during the school day

Please Label All Belongings

A large proportion of recovered items cannot be returned simply because they are **not labelled**. Clear naming greatly increases the likelihood of belongings being reunited with students.

Reporting Missing Items

Reception and the College Office keep a list of missing items that students have reported. If your child loses something, ask them to notify us so we can contact them if it is found.

A Note on Valuable Items

Some families use tracking devices such as AirTags to help locate valuable belongings. While these can be useful, we strongly encourage students to **leave expensive non-essential items at home**.

Thank you for your continued support in helping us reduce lost property across the College.
