Study Support Pack

Supporting your child in their academic success

To support your child in their academic success, and equip them with the resources they need to be able to continue making progress towards achieving their potential, we have created Study Support Packs. These contain high quality study guides and revision resources, stationery required in lessons, and organisational materials to help your child prioritise their time and learning activities effectively.

Study Support Pack

Welcome to Key Stage 4

Stationery and revision pack for students joining us from Year 9 onwards.

These stationery and revision packs have been designed specifically for students from Year 9 onwards. Study guides and workbooks included are from external companies such as CGP or exam boards such as Pearson. Printed pdf resources reflect the way the specifications are personalised and delivered at Wymondham College and further support students securing core knowledge and skills in preparation for their GCSEs.

- General stationery items and Core subject material: £180.
- Humanities / Language (compulsory subjects): History + Language: £60.00; Geography + Language: £45.00.
- Options: Two option subjects: £20.00. Two option subjects including PE bundle: £50.00.
- Full academic bundle (including stationery and maximum options): £280.
