Week 12 Spring Term 2025

Our week

The highlight of the final week of the Spring Term was the KS1 Production! A huge thank you to all of you - the parents - for helping with the costumes. The children looked incredible. Like many things we, simply couldn't do so many things without your support. The confidence with which the children trod the boards and the way they projected their voices to the back of the Hall was so impressive. A huge thank to the KS1 staff team - particularly Miss. Rix. The children absolutely loved performing in front of such a large parent audience.

Thank you to the many of you who completed our parent survey. We will be in touch soon with the headlines and actions we aim to put in place to try and continuously improve.

Thank you also to our community for supporting the bake sales of this week. Again, your generosity helps reduce the cost of coaches for trips and the Year 6 Bake Sale helps to ensure our leaders leave school with as great a celebration as possible. A special shout out goes to Imogen Day - Year 6 Lions - for raising £324 for World Autism Awareness Day. She hand made bracelets and cakes and led her stall brilliantly.

The term ended with a wonderful assembly where Positive Pupil Postcard Pencils were handed out, as well as beautiful certificates of participation for our Year 6 Model United Nations Conference. The House Cup for this term went to Fry House - you should have heard the roar in the hall! They properly celebrated with cake and squash afterwards. It was also wonderful to have our 'Blue Club' - the name given for all of the Services children in the school, named after the 'Bluey' air mail envelope that gets letters to our military personnel anywhere in the world. This week was Dandelion Day, the annual celebration of Military Children and our children did us proud telling us all about it. Have a wonderful break everyone!

Grow Garden Update

We are thrilled to say that the IBC arrived looks great! and was installed this week!

A big thank you to [Julian Campbell](#) who donated the IBC! This incredibly generous gift will ensure the school's garden will thrive for decades to come.

Here's a very happy Henry Myhill who was one of the Quiz & Riddle winners last week! Go to page 10 if you want a chance of joining him!

The tree bench was also installed and

Week 12 Spring Term 2025

Reception Rabbits & Robins

We have been learning all about Easter this week and we have made some lovely Easter crafts. The children have also enjoyed egg and spoon races outside, as well as lots of other activities in the sun. We can't believe the children's second term at school is now over. They have all done so well and seem so grown up since they started in September. We have completed all their Spring Term assessments this week and are very proud of them all. Their writing impresses us on a daily basis. In Maths we have been learning about doubles and odds and evens. We hope you all have a really lovely Easter break together.

Year 1 Otters & Seals

This week we have rounded off our Great Explorers topic by learning about Neil Armstrong. Ask your child if they sing you the Neil Armstrong song... you might learn some facts you didn't already know! In English we have learned about suffixes (-ing, -ed, -er) and how to use exclamation marks. We completed some activities to practise using these things. In Science, we used our observation skills to identify the parts of the sunflower plants we have been carefully growing over the past few weeks. Do send us some photos of how tall these grow in your own gardens now the children have taken them home - we would love to see! We are sure, that like us, you were super impressed with all of the children's amazing efforts in our KS1 production of Billy No Buzz. We are so proud of each and every child and the confidence they showed when performing to a large audience. A huge thank you goes to our wonderful Year 1 grown ups for providing all the beautiful butterfly and dragonfly costumes - we are so grateful for your support. Have a happy Easter break!

Week 12 Spring Term 2025

Year 2 Badgers & Foxes

We are incredibly proud of our KS1 children for their outstanding performance in this week's school production! It was truly a moment for them to shine, showcasing their talent, hard work, and confidence. From stunning costumes to their enthusiastic performances, our children amazed us all!

In Maths, we have been learning to measure in standard units and solve problems focusing on weight and temperature. We have also been practicing reading scales on thermometers, helping us to understand how to measure temperature accurately. In Art, the children explored the fascinating technique of printing with carbon paper. They created unique and beautiful prints for their Easter cards, demonstrating both creativity and precision.

Thank you for your continued support, and we look forward to more wonderful achievements in the Summer Term!

Year 3 Dragonflies & Bumblebees

We have had a great last week. The children have written some super disaster stories that actually moved us to tears! In maths we have been using weighing scales to find the mass of different objects and have really improved at working out the value of the intervals on different scales.. The children also enjoyed investigating what happens to shadows when we change the distance of the light source from the object. We are all very excited about the upcoming Year3 and 4 performance. Please practise the songs and lines over Easter. Have a lovely break!

Week 12 Spring Term 2025

Year 4 Eagles & Owls

Year 4 have had a busy last week of term! In English, we have finished our independent stories based on the picture book Journey. In Mathematics, we have completed our first unit on decimals, which we will be continuing after the Easter break. In Art, we painted and evaluated our Viking sculptures ready to take home. And we even started to look at our lines and songs for our upcoming production with Year 3. We hope you all have a well rested Easter break!

Year 5 Emperors & Royals

It has been another brilliant week for Year 5. We had so much fun competing in the house dodgeball competition on Thursday! In art this week we continued to make and paint our Mayan inspired clay objects, they are looking pretty awesome! During English we shared our independent write with Year 6. It was brilliant to hear their advice and comments on how we can make our work even better! Thank you Year 5 for all your hard work this term, you have been stars!

Week 12 Spring Term 2025

Year 6 Lions & Jaguars

We've had a wonderful last week of the Spring Term. It's been a busy term and we're so proud of the progress they've made. We came to the end of our MUN work celebrating with certificates and a final account of our learning. Year 6 completed the most amazing pieces of art using mixed media - the results are fantastic. In English we've been blown away by the writing based on the book, 'Other Words for Home'. We're all looking forward to a well deserved break before SATs and our residential and a whole host of transition activities up at the College - Year 7 is not far away now...

A HUGE congratulations to Imogen Day who raised £324 this week as part of World Autism Awareness Day - In amazing effort Imogen.

Underwood Hall

Well summer really is around the corner and we have been blessed with some lovely sunny evenings this week. We went out for our end of term treat on Tuesday to McDonalds which was the boarders' choice of venue. When we were there we made our termly awards to those who have earned the most 'core credits' and also to one special boarder who has impressed in terms of progress that they have made in Underwood. Well done to Bill, Rosa, Shayla and Bea - spend your Amazon vouchers wisely! We had fun on Thursday evening baking our offerings for the Year 6 cake sale and on Friday we all enjoyed seeing several boarders up on stage talking about their experiences at Bluey Club and telling the school all about Dandelion Day. I hope that you all had safe travels home and I look forward to seeing you after the holidays!

Week 12 Spring Term 2025

NEW

Premier Education Wraparound Care Roundup

What We Have Been Up to in Wraparound Care

We have had a busy Spring term in Wraparound Care.

The children have been demonstrating their creative skills and celebrating key events incorporated within our monthly planning themes.

January Theme

International Lego Day and Chinese New Year

February Theme

Valentines Day, Random Acts of Kindness Week and Tell A Fairy Tale Day

March Theme - Spring

St David's Day, World Book Day, British Science Week, Red Nose Day, Mother's Day and Easter

The children have also learnt new physical skills and improved on their personal best through mini 60 second challenges.

Key Information

We are excited to have Laura Burton join our team as a Playworker. Many of you might know Laura as a parent of children in Reception & Year 2 and as one of the school's Class Reps. Laura is a Premier point of contact for parent queries - **please contact Laura on Class List if you have any Prem Ed WAC feedback or questions.**

Please also see Wraparound Care Parent Information Board for Weekly Planning Activities and Food Menu. This is updated each week. Our WAC setting contact telephone number **07546 607357** is also available to call during each session. Any queries, please don't hesitate to speak to any member of our staff team.

Wraparound Care for Wymondham College Prep School

Before and after school care every day the school is open to children, along with multi-activity camps during the school holidays and teacher training days.

Search **Premier Education Wraparound Care**

Based on over 20,000 reviews

Premier Education are honoured to be able to provide the wraparound care at Wymondham College Prep.

Our aim is to deliver a top quality, Ofsted registered provision, with a range of stimulating activities in a safe, secure and fun environment, providing outstanding extended school day service for busy parents.

Premier Education will be working in partnership with Wymondham College Prep School to support the delivery of an extended day and a wide ranging offer of curriculum enhancing activities.

Parents can relax knowing their children are in safe hands as all staff have experience working with primary school children, have been DBS checked, and hold Emergency First Aid and Safeguarding certificates.

Wraparound care sessions are open to children with no deposit or registration fee required. Healthy snacks are provided, with specific dietary requirements also being catered for.
