Week 5 Summer Term 2026

## Our week

What a momentous week it has been! Out recognition of *Mental Health Week* has become an annual highlight in the school calendar. A huge thank you to Mrs. Browning for leading such a wonderful week and to all those visitors, parents and volunteers who took part making it such a memorable week. We had amazing workshops in the following things: art from the Head of Art & students from the College, yoga and mindfulness, singing, a musical concert staged by WC students, dancing, PE and drumming. We also need to thank the Frost family for coming in with their beautiful animals and giving the children such an amazing experience. Ultimately, I think everyone in the school knows, "It's OK to not be OK." This was of course all going on weaved around Year 6 and their SATS, further enhanced by random huge hail storms and torrential rain every now and again.

The Year 6's should be extremely proud of their efforts and thoroughly deserve to have the best of times in their week long residential next week up in the Peak District. Just because there wasn't enough going on last week, our amazing Reception children performed their 'Summer Bug Ball' for their parents on Friday, delighting us with songs, dance and speeches with children reading words like invertebrate #readyforuni The week ended with the last KS2 Personal Growth Celebration of the academic year. Where on Earth does the time go? 😊

 IF YOUR CHILD  
CAN PLAY WITH IT...  
WE'LL TAKE IT!

# OPAL PLAY PHASE 1

HELP US BUILD AN  
AMAZING PLAYTIME!

 DONATE YOUR "LOOSE PARTS" 

**We need more...**

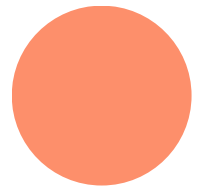

- dress up costumes
- tarps & sheets
- unwanted suitcases
- colour pencils / felt tips

Drop off 'loose parts' at  
school anytime

or shop our Amazon

Week 5 Summer Term 2026

## OCCASSIONAL BOARDING IN UNDERWOOD HALL

### NOW ONLY £75 PER NIGHT

(£30 ADMIN FEE ON YOUR FIRST BOOKING ONLY)

We are now offering 'flexi-boarding' to day pupils in Years 5 or Year 6 allowing them the opportunity to board on a flexible basis. The cost of flexi-boarding is £75 per night and will include the cost of dinner, breakfast, accommodation and all activities in Underwood Hall.

If you wish to book for your child to flexi board then please click on the link below. Alternatively you can email the school office or Mr. Timmins who will then be in touch with you with further information which will include drop off / collection arrangements, afternoon and evening schedules, and instructions on how payment is to be made.

Please note that there is an annual limit of 45 nights' accommodation per pupil per academic year. If you would like to enquire further about flexi-boarding then please do not hesitate to email Mr Timmins at [j.timmins@wymcolprep.org](mailto:j.timmins@wymcolprep.org).

Week 5 Summer Term 2026

## Reception Rabbits & Robins

We have had another action packed week! The children have enjoyed all of the different Mental Health Week activities, especially seeing the different animals and our Calm Cats session. We had good Woodland Wonder sessions at the start of the week too. We have been very impressed with the children's writing for our English unit where we are writing a recipe for the chocolate mug cake. In Maths we have been looking at adding and taking away. The children loved performing their little Minibeast show to the whole school and then to families on Friday - we hope you enjoyed it.

## Year 1 Otters & Seals

Year 1 have loved all of the opportunities that Mental Health Week has brought, especially all of the animal encounters. We have enjoyed thinking about how music and movement make us feel through lots of activities such as tag games, dance, live music performances and singing along during the Big Sing assembly. Our Year 1 song choice of 'Golden' was a big hit across the school and provided much joy as we all sang and danced along, staff included! Alongside all of this, we have continued with some wonderful learning, thinking about turns and left / right in maths as well as writing some brilliant plot points for the Blue Kangaroo story.

Week 5 Summer Term 2026

## WALK 31 MILES IN MAY

We are striding into May with a spring in our step to make a real difference to families facing dementia. Throughout May, children at WCPS are going to walk or run at least a mile a day when they are in school as they attempt to walk 31 miles in May for the charity, Dementia UK. Here's how it will work:

- Step 1/ Monday to Friday. Use daily mile or PE lesson or both to walk or jog a mile
- Step 2/ This is where you come in! On weekends and half term we are asking you to walk a mile on each day with your children (and anyone else who'd like to join you!)
- Step 3/ Ask your family and friends to donate on our Just Giving page
- Step 4/ Simple! Let's get walking! The link to our Just Giving page is below!
- Step 5/ Send us photos of you walking with your family & friends so that we can share.

Week 5 Summer Term 2026

## Year 2 Badgers & Foxes

This week, we have been celebrating Mental Health Week and learning lots about how to look after ourselves. We loved meeting and petting animals and even had the chance to feed some farm animals! We kept active by taking part in our daily mile, playing fun tag games and enjoying relaxing yoga and deep breathing sessions. These activities helped us understand how exercise can help our brains release serotonin and our bodies release endorphins. We have learnt valuable lessons about the importance of staying healthy and active to support both our physical health and mental well-being. We loved rounding our week off by writing informative recounts of the week we have had.

## Year 3 Dragonflies & Bumblebees

This week in Year 3, we have been exploring the importance of mental health and wellbeing. We enjoyed taking part in Calm Cats yoga workshops, mindfulness sessions and fun PE games that helped us relax and work together. Our highlight of the week was meeting all the wonderful animals, especially Mable, who was definitely the star of the week! In Maths, we continued learning about time, focusing on minutes past and minutes to the hour. Please continue practising this important skill at home. In DT, we have been exploring packaging and learning how pre-fabricated boxes can be designed and used to help protect products safely.

Week 5 Summer Term 2026

## Year 4 Eagles & Owls

Well what a week it has been! The children have an such a wide range of activities for Mental Health Week, including a dance class, mindfulness sessions, calm cats, tag games as well as seeing some lovely animals! We have also been able to write a review for our Year 4 production, and complete our decimals unit in maths. In Science, we learnt about the different states of matter and the processes that cause them to change. And in Geography, we looked at some of the features formed by erosion.

## Year 5 Kings, Emperors & Royals

It has been another brilliant week for Year 5! We have absolutely loved Mental Health week! From Calm Cats, Art, Animals to Singing and dancing we have had a ball! Year 5 have also loved sharing their homework- take a look at what one child was able to make! In English we have continued with our Non Chronological Report. In Humanities we have begun writing a leaflet to Mr Underhill detailing everything we have done this term. In Art we have continued with our final projects- they look amazing. Bring on the final week of Summer Term 1!

# WCPS

Week 5 Summer Term 2026

## Year 6 Lions & Jaguars

The week we have all been building up to has now been and gone! SATs week! What a week it has been! The children have been a real credit to themselves and the school this week by demonstrating the upmost resilience, hard-work and care during their SATs tests. It has made Team Year 6 so incredibly proud for how they have handled themselves! Now we get to celebrate on the residential next week! We all can't wait! We ended the week by handing out the long-awaited leavers hoodies and what a joy it was to see the children wearing them with pride! A huge thank you to our class reps for organising such a special thing for the children. Well done for everything Year 6 - pack those waterproofs for next week, it's going to be amazing!

## Underwood Hall

After our time on the water at the weekend, this week has flown by and it's hard to believe that our Year 6 boarders are now done with their SATs. They have been mega-energised this week with their breakfast in Underwood Hall followed by their SATs breakfast with the rest of the year group over at school! In other news we welcomed several families for a taster evening on Tuesday and then we were quizzing last night with some helpers from the college. Aside of packing for the residential, This weekend we are off to the dinosaur park. Take care everyone.

Week 5 Summer Term 2026

## Heads of School

Hi everyone. In Year 6 we have been doing our SATS this week. Well done Year 6 - we did it! It has not all been hard work, we have had lots of hot chocolates and cookies and a variety of activities to do with Mental Health Week. We are now looking forward to our residential next week in the Peak District at an activity centre called Thornbridge Outdoors. We are getting to do abseiling and mountain biking and much much more! So fun! Bye for now. Henry (HoS).

## Heads of Underwood

Hello everyone its me, Bill. This week has been very busy as we have had 8 people looking around Underwood who are thinking to be joining us in September. We also made rocky roads and, just saying, mine had a lot of Biscoff and marshmallows in it. On series night we are watching Fresh off the Boat. And finally we have been playing lots of Danish long ball. Overall this week has been really fun and exciting. I hope that Year Sixes are ready for Thornbridge next week. Bye for now. From Bill (HoUH).

## Friends of Wymondham College Prep School

### A message from the Chair:

It is with a sad heart that we say goodbye to my wonderful co-chair, Laura, who has made the tough decision to step down from the Friends committee. Over the past 3 years, she has been an absolutely massive help to the committee as a whole, giving so much of her time, energy and support to our school community. Personally, I am going to sorely miss having her by my side on this journey.

With one goodbye, there is another hello! Welcome to Kay, who has joined Suze on the Treasury team for the Friends. We are so grateful for your ongoing help with the committee Kay, and I know Suze is overjoyed to be able to share the load ❤️.

As we move forward, I would love to ask whether anyone might be interested in joining me as either Co-Chair or Vice Chair. It really is a good laugh, we do so much good for the school and the children, and I would truly appreciate having a buddy to help share the journey and ideas along the way. If you'd like to know more, please feel free to message me privately for a chat (Alex Altona on Classlist, or [alex.altona@fowcp.onmicrosoft.com](mailto:alex.altona@fowcp.onmicrosoft.com)).

I also want to say a massive thank you to all of the volunteers helping with the disco. Giving up your Saturday to help is a big ask, and it genuinely means so much. We know the children are going to have a fantastic time, and we are so grateful that we are able to put on events like this for them. We simply wouldn't be able to do it without parents who jump in and help wherever they can! Thank you all so much for your support.

Reminder to families that the House Art entries are in the main foyer area for collection. Unfortunately, anything left at the end of half term will be disposed of.

### Polite request for resources

- If any families are able and willing to donate the following we would be hugely appreciative:
- Fresh Bamboo (the ones that are hollow in the middle that people sometimes grow in their gardens)
- Old small paintbrushes (helps collect creatures when bug hunting)
- Any more mud kitchen items - pots, spoons, sieves, etc
- Water machine bottles (the big bottles found on office water machines)

thank you
